Words from Clients to Rich Color Printing	<p>I deal with April, who I found to be very helpful. Being my first time using this service and outsourcing to China, I had a lot of questions, and I appreciated all the time it took to assist me. I also spoke to her over the phone a couple of times, which helped ensure there really was another person at the other end of the transaction!</p> <p>The print quality was very good. Very prompt service. The English level was of a good standard, which made it easy to communicate. They also had a very good price, compared to what is charged in Australia.</p> <p>I would definitely recommend this company. Thank you.</p>
