1. Product Introduction of Leather Hardcover Book Printing

Leather Hardcover Book Printing is a great way to create a deluxe edition of your book. We can add leather to part of the total run of your book. For example, you could order 2,000 copies and have 200 made special as a deluxe edition. It's a great way to add another reward level to your crowd funding campaign, or to thank your closest supporters.

Please note: Due to the variations inherent in the dyeing process, the leather colors and textures will vary between print runs. Feel free to order samples once you get the PDF ready!
